REMARKS

Claims 1, 3, 5, 6, 8, 12-14 and 16 have been rejected as unpatentable over Jones et al. in view of Henry and claims 2, 4, 7, 9-11, 15 and 17 have been objected to. Reconsideration is respectfully requested in view of the attached amended claims and following considerations.

Independent claims 1, 5 and 14 have been amended to include the limitations of claims 4, 11 and 15 respectively, thereby making the independent claims allowable. In addition, claims 2, 7 and 17 have been made independent and therefore allowable.

Remaining claims 3, 6, 8-10, 12, 13 and 16 now incorporate independent claims that are allowable and therefore should also be allowable.
